

Vilnius, Lithuania's capital, is celebrated for its rich history, diverse architecture, and vibrant culture. Its Old Town, a UNESCO World Heritage site, showcases Gothic, Renaissance, Baroque, and neoclassical buildings.

Let us lift Vilnius in prayer! Pray for the outpouring of the Holy Spirit over this historic city. Ask for God's healing and renewal over past wounds and for a mighty revival in the Christian community. Believe in God's power to transform Vilnius and bring spiritual awakening, opening all eyes to the Truth.
